**Chances and risk warnings**

This offering of participating certificates is not an offer for so called gilt securities but a business investment with all the chances and risks as described in the prospectus. A business investment is like every business enterprise a risk. In principle the loss of the investment cannot be excluded. The investor therefore should be able to cope with a partial or even total loss of this investment at any time.

I have received the prospectus (status July, 2008) as well as a copy of this investment declaration
